While membership to the Boys & Girls Club of San Marcos has remained at \$40 for over 10 years, the actual cost per member to provide a safe impactful program is about \$600 per year. Contributions from grants, individual donors, local business partners, and fundraising events help cover those costs so we can decrease the cost of services to the families.

If your family is able to contribute more than the required membership, the funds can be used to sponsor other members' dues or to directly benefit programs. Scholarships are available to those who are in need, so every child has the opportunity to participate. Thank you for your support!

(OPTIONAL) Additional contribution to Club programs and services \$_____

I agree to become a member of the Boys & Girls Club of San Marcos. I agree to abide by the rules & to respect my Boys & Girls Club staff, fellow members, and facility. I agree to respect my Boys & Girls Club membership and to never abuse the privileges it comes with.
