Volunteer for the Annual Campaign!

Frequently Asked Questions:

1. **What is the Annual Campaign?** An opportunity for supporters of the Boys & girls Clubs to secure funds from other community members while sharing their own personal impact story about the organization. The funds raised insure that no one is turned away due to the inability to pay.
2. **How can I help?** VOLUNTEER! The Campaign is run by community volunteers who believe in our mission and would like to help secure donations for the organization from individuals and companies in the community.
3. **What if I want to help but don't know how to start?** Attend the Campaign Kickoff & Training Session! Our staff will provide you all the tools you will need to feel confident when speaking on the campaign.
4. **How do I make my own gift?** IT'S EASY! Go online to www.bggconejo.org, select Donate & Campaigns/ Donate Today. This will link you to a secure online giving form that will prompt you to fill in your contact information, gift amount, and payment type.
