We will not rest

The kids of the Boys & Girls Club of Moorpark would like to say THANK YOU for your support and participation in this year's auction...you have made a difference in our lives!

Live Auction Rules

1. The live auction will begin at about 8:00 p.m. and will run until all of the live auction items are sold. It is anticipated the live auction will run until 10:00 p.m.
2. The live auction will consist of the voice auctioning of items, thus the term live, in the order that they appear in the live auction section of this catalog.
3. A bid number will be required for bidding and purchasing of items. A bidder number card should have been given to you when you arrived. If you were not given a bid card when you arrived now is a good time to get one before the item you want is sold to someone else.
4. When you want to bid on an item, raise your bid card high in the air to attract the auctioneer's or spotter's attention. If you win an item, immediately announce your bid number to the spotter or auctioneer.
5. Please wait until the end of the evening or when you are leaving to pay for all of your purchases, at one time, at the cashier's table.
6. Because of the large number of items being sold during the live auction, it is important that you be prepared to make your bids quickly. The auctioneer will sell items very fast and cannot wait for a bidder to decide whether or not they want to bid.
