# Welcome

Good Evening!

On behalf of Board members and staff of the Boys & Girls Clubs of Snohomish County, I would like to welcome you to our Grand Gala.

Tonight I would like to ask you to join me in celebrating and giving recognition to the staff, volunteers, and contributing members of our clubs. Through our 17 clubs we provided services to over 16,000 kids last year. Even though we are all facing an uncertain and challenging economy, our team has succeeded in expanding support for an ever increasing number of kids in need.

Our clubs don't get a lot of attention. They are located for service, not for visibility. They quietly provide a safe place for kids. They offer daycare services and they feed many children that would not otherwise get the food and nutrition they need. Kids in our clubs will be found doing homework, making friends, playing sports and games, and being mentored and guided by positive role models. **Our clubs build futures and create opportunity where opportunities are rare and futures dim.**

We do great things, but we need your support. Tonight you have the opportunity to invest in our kids. Your investment will be used to build the very foundation of the future of our community: our youth. As a stockholder you will receive regular dividends: safe kids; healthy, nourished children; kids ready and able to learn; young adults with opportunity and prepared for success.

I hope you have a very enjoyable evening and I would like to thank you in advance for your generosity and sacrifice, and for **joining me in investing in our kids**, our community, and our future.

Greg Lineberry  
President of the Board

## Item 19 Raise the Paddle - Kids Café

Many of the kids that walk through our doors are not getting enough to eat at home. A glass of juice is sometimes all that holds them over from the day before. These kids and their families count on the meals they receive at our clubs, and your help is critical in providing them the nutrition they need to learn and grow.

- Over 2,000 hot meals are served every week to kids in our clubs.
- Over 7,600 healthy snacks are consumed weekly throughout our clubs.
- The majority of kids we serve come from schools where 51% or greater qualify for free reduced lunch.

Tonight, we ask you to Raise the Paddle to feed kids in our community.

**Our goal is 100% attendee participation – please raise your paddle at the level which is most meaningful to you.**

*BECU MEMBER:  
Dante, Troy, Carrie, Isiah D., Kent*

MONEY IS AN IMPORTANT part of life. And the earlier kids start learning about it, the better. That's why we're committed to helping kids develop good habits, like saving early and being disciplined in their spending. It's part of our "people over profit" philosophy that we've been putting into practice for over 70 years. Besides, the more people out there with good financial health, the better off we'll all be. We are BECU. Join us.
