

# ABOUT THE BOYS + GIRLS CLUB OF STAMFORD

The Boys & Girls Club of Stamford is a youth facility that is open daily and available and affordable to all youth.

An increasing number of school age children are at home with no adult care or supervision. Boys and girls in our community are often left to find their own recreation in the streets. Young children need to know that someone cares about them. The Club does this and more.

Through a partnership with the City of Stamford, Lione Park was recently renovated including athletic fields, a playground, sand volleyball courts and a turf field. We are excited to begin construction on a new Teen Center this spring that will allow us to accommodate more teens and young adults in need of our programs and services that will help them build a great future.
