Executive Leadership Junior Staff Program

Club members the ages of 16 to their senior year in College explore a career through Boys & Girls Club employment, an Executive Leadership Academy training and professional development workshops. The Executive Leadership Junior Staff sponsor is preparing Anne Arundel County teens to participate in our economy by prepping them for corporate roles. Young people prepare for future roles as professionals by participating in leadership development activities, discovering the importance of community service, building corporate skills and completing a Club apprenticeship.

Sea Immersion

Club Kids grades 4–8 build academic confidence and career aspirations by exploring the exciting work of ocean science. Children are immersed in fun, interdisciplinary activities and group projects designed to boost interest in STEM learning and STEM careers. By sponsoring Sea Immersion your company helps to promote pathways to academic success, higher education and high-paying careers.

Adrian L. Merton Tee It Up for Education Golf Classic

Presented by The Brick Companies

Sponsorship Form

In Anne Arundel County, like every community, many boys and girls are left to find their own companionship in the streets or spend long hours at home without adult supervision. Sponsoring the BGCAA Golf Classic makes it possible for more than 2,900 youth in Anne Arundel County to spend crucial afterschool hours receiving tutoring, academic enrichment and responsible adult guidance at one of BGCAA's six clubs. Together we can inspire and enable kids to realize and reach their full potential.
